Meeting Your International Business Needs

As our clients' needs expand internationally, Eide Bailly continues to offer services that reach beyond the boundaries of the United States. We are an independent member of HLB International, which has 500 corresponding firms in more than 100 countries. Member firms have well-established practices of high standing in their business communities. Our service approach emphasizes the strength of both the local firms and the international member firms. Accordingly, world-class client services are delivered effectively and efficiently with seamless coordination.

HLB International has met the same international quality assurance requirements as the Big 4 firms and is recognized as a member of the Forum of Firms. Founded in 1969, HLB International is a tremendous resource in helping our clients be successful in the global marketplace.

About HLB International

HLB International is a global network of independent professional accounting firms and business advisors meeting the needs of clients around the world. Through sustained growth, the HLB network draws on the experience of more than 1,900 partners and 14,000 professionals in 100+countries. The HLB Global Care service approach helps ensure clients receive personal, high quality service with a proactive and seamless approach.

As a client, you can feel confident when working with Eide Bailly and HLB member firms to meet your international business needs. All firms must meet strict membership criteria with quality being a key component. These firms have built strong reputations in their local markets, combining local expertise with a powerful international capability.

Client Testimonial

“Eide Bailly always provides us with knowledgeable people who have good technical skills, work hard to understand our business and are responsive to our needs. With acquisition activity, complex reporting structures and the international flavor of our parent company, many of our issues are quite challenging; Eide Bailly has always met our needs and delivered quality services.”
