

## Client Perspective

*“Eide Bailly’s forensic accounting professionals are the best in the field. I am happy to refer my clients to them.”*

*~ Rachel R. Weiss,  
Employment Law Attorney  
Gammage & Burnham*

### How can I benefit from working with Eide Bailly?

Fraud continues to be an epidemic in the business world; the Association of Certified Fraud Examiners estimated \$652 billion is lost annually in the U.S. due to fraud. Many of these fraud schemes result in both civil and criminal litigation. We understand your primary goal is to succeed in your clients’ cases and often it’s necessary to reach beyond your firm to find the experience and expertise you need. You can rely on Eide Bailly’s forensic services team to provide the resources and accurate information you need to support your cases.

### What services can Eide Bailly provide?

Our professionals offer a variety of services, including fraud prevention, detection and investigative services. When working with local, regional or national law firms, we can provide:

- Asset Theft Investigations
- Partnership Malfeasance Investigations
- Income Analysis & Calculation of Fraud Loss
- Fraud Scheme Detection
- Documentation of Fraud Occurrence
- Interviews & Interrogations
- Internal Process/Control Reviews
- Stockholder Disputes, Dissolutions & Divorce Proceedings
- Business Valuations & Economic Damage Calculations
- Expert Testimony
- Insurance Support
- Criminal & Civil Litigation Support
- Employee Awareness Training
- Key Employee Due Diligence & Background Checks

### Why should I choose Eide Bailly?

Our forensic professionals have the experience and knowledge you need to add value to your case. We specialize in forensic examinations and have conducted numerous fraud detection and investigations designed to uncover and document fraudulent activities. Our clients have access to Certified Fraud Examiners, Licensed Private Investigators, former law enforcement professionals, Certified Forensic Interviewers and Certified Public Accountants who have the investigative techniques and technical skills needed to get to the bottom of a situation. Our professionals are sensitive and discrete when dealing with confidential cases, and our highly trained team can provide you with the answers you need.
