Background Checks

Recent surveys show that 30% of all job applicants lie on their resumes and 60% include misleading information. In today's business world, you need to make sure you have honest and trustworthy employees. Eide Bailly specializes in conducting background checks. Our services include credit records, criminal records, driving records, employment packages, verifications and additional services.

Fraud Hotline

Eide Bailly offers a confidential program designed to help companies protect themselves from internal violations and issues. It is also designed to provide employees with a work environment free from harassment and discrimination. Our hotline is available 24 hours a day, 7 days a week and provides immediate access to trained fraud professionals.
