

Dealerships

**INSPIRED TO DRIVE
YOU FORWARD**

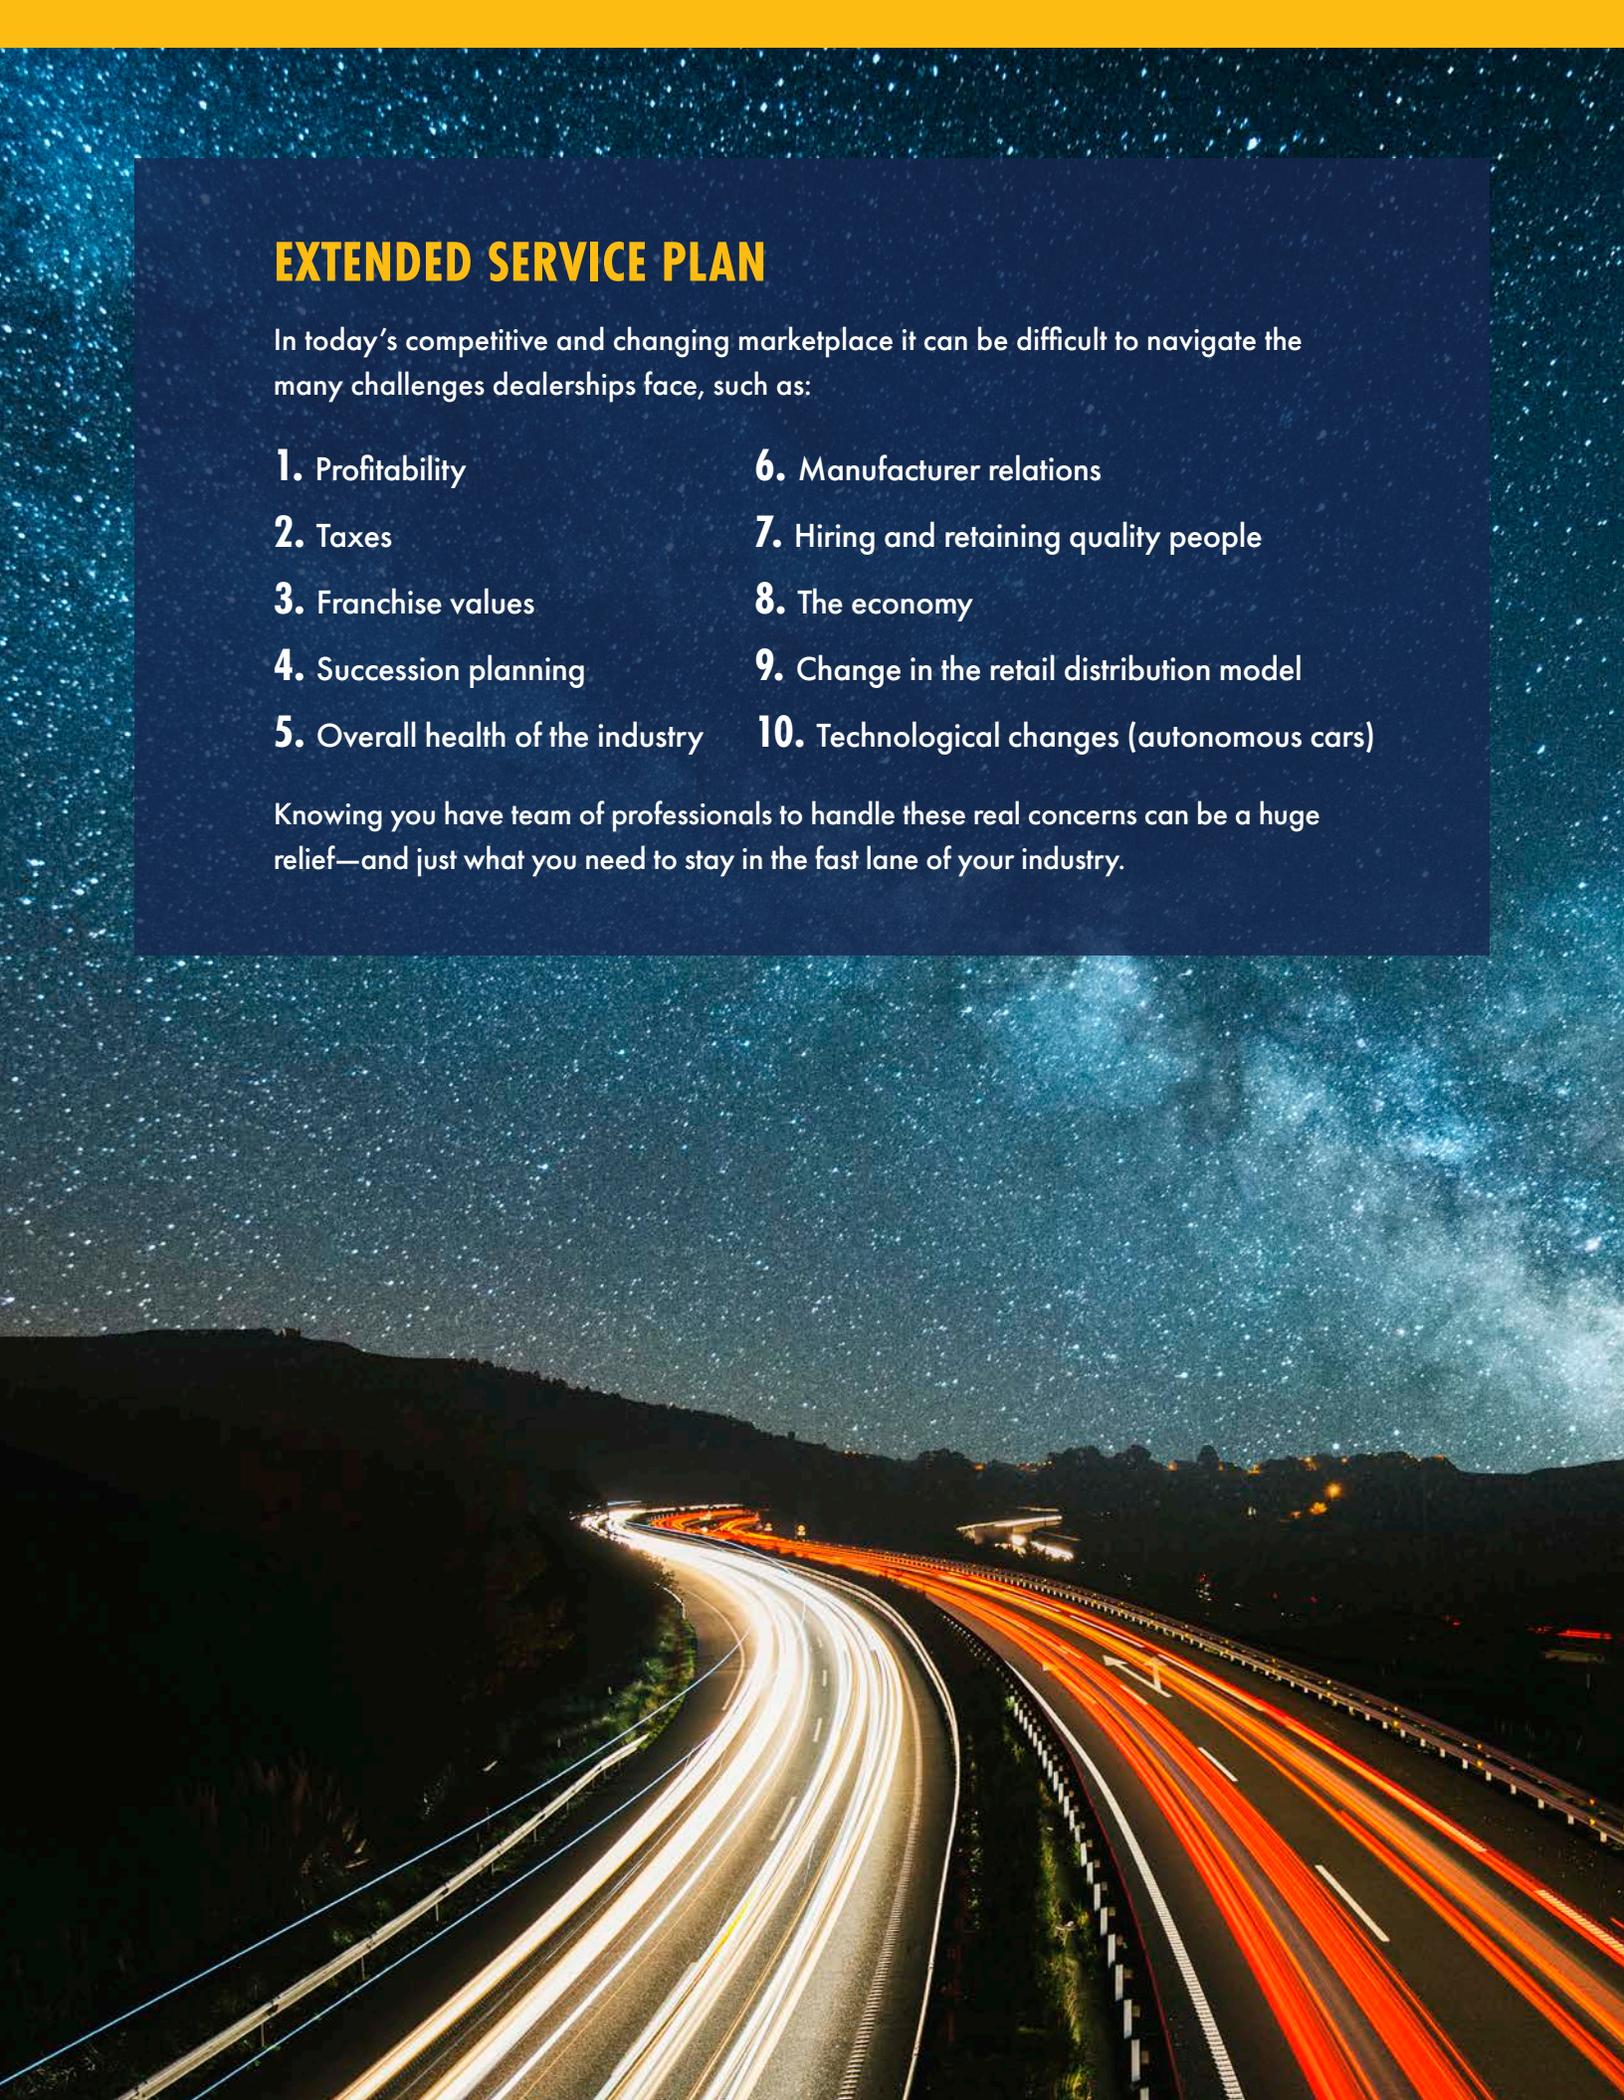

EXTENDED SERVICE PLAN

In today's competitive and changing marketplace it can be difficult to navigate the many challenges dealerships face, such as:

1. Profitability
2. Taxes
3. Franchise values
4. Succession planning
5. Overall health of the industry
6. Manufacturer relations
7. Hiring and retaining quality people
8. The economy
9. Change in the retail distribution model
10. Technological changes (autonomous cars)

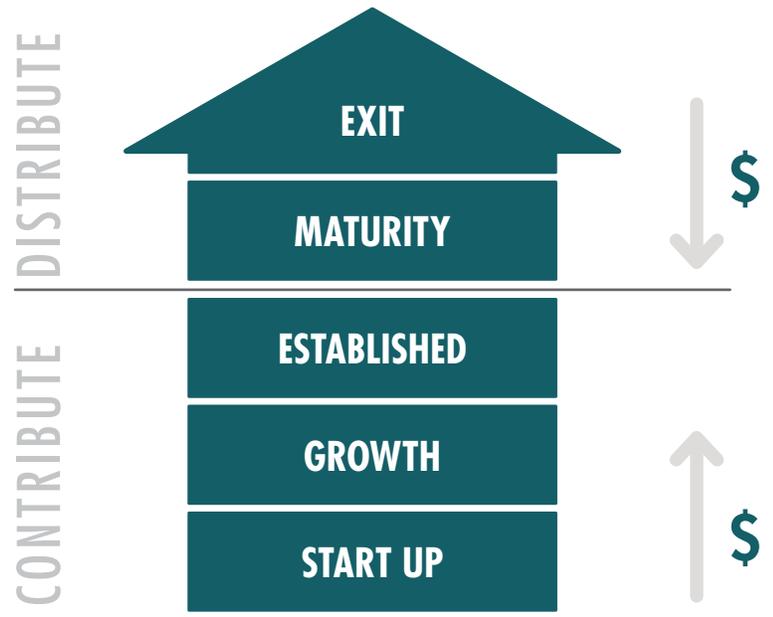

Knowing you have team of professionals to handle these real concerns can be a huge relief—and just what you need to stay in the fast lane of your industry.

DRIVING YOU THROUGH YOUR BUSINESS LIFECYCLE

The auto industry is changing more than ever—now is the time to ensure your business is operating at its highest profitably.

SUPPORT NEW TOPLINE GROWTH STRATEGIES WHILE SUSTAINING PROFITABILITY

The road to success isn't always an easy one, and dealerships have their own unique challenges along the way. The demands of daily operation must still be balanced with the long-term goals you've set for your business. Strategic thinking must go hand-in-hand with the complex accounting and tax needs that accompany this dynamic industry. Change is constant, and evolution is a necessity.

Understanding current trends and discerning which of those have the potential to impact you is a critical component to providing a superior customer sales experience. A trusted advisor with a large network of resources can help take the pressure off the day-to-day duties and keep you on track toward your goals.

NO ORDINARY BACKSEAT DRIVER

Dealership and implements across the country have received better tax plans, optimized their operations, and increased profitability with the help of Eide Bailly. Streamline your day-to-day duties and work with us to ensure a healthy, successful future for your dealership.
